Good Morning Everyone:

I have heard from most of you and we should have a quorum for this Thursday. The meeting will be held at 37 Tannery Road in Lunenburg at the Bluenose Coastal Action Foundation office.

The agenda is as follows:

1. Welcome
2. Additions to the agenda
3. Review and approval of the October 2017 minutes
4. Business arising from the minutes
5. Continue with developing the water quality monitoring program. (I had previously sent out the Guide to Writing a Water Quality Monitoring Plan) – review and come prepared to discuss steps 3: Selecting Monitoring Locations and Sites; Step 4: Selecting Monitoring Parameters and if we have time Step 5; Sampling Frequency and Duration
6. Next meeting

Garth Bangay
6 Sherbrooke Parkway

Please review the October meeting minutes (attached) and come prepared to discuss steps 3, 4 and maybe 5.

Trudy
