

# **Sawpit Wharf Committee**

## **Meeting Notes**

**Tuesday, June 25, 2019 – 6:30pm**  
**St. John's Anglican Church Hall**

**In Attendance:** Richard Mosher, Ian Fraser, Graham Mowbray, Errol Knickle, Tina Risser, Bub Risser, and Tissy Bolivar

**Regrets:** Chad Parks, Angus Morris, David Silver

### **Approval of Agenda**

- Motion by Ian; seconded by Richard. Motion carried.

### **Approval of Minutes of February 6, 2019**

- Motion by Tina; seconded by Ian. Motion carried.

### **Business Arising from Minutes**

#### **Signs – loading/unloading, dock spot numbers**

- Still need a loading/unloading sign on floating dock with a 15-minute max
- **Tissy to order and install new sign before season opens**
- **David has dock spot signs. He is to replace missing dock spot number signs.**

#### **Capital Project – Switchback Trail**

- This project has been included in MODL's capital budget in the amount of \$20,000 for design services only for the trail. An RFP will be developed and put out to bid this budget year.

#### **Water Testing**

- **The committee has established this is not a priority at this time**

#### **Power Pole Update**

- NSP was not concerned with pole. **Tissy will re-approach.**
- The Municipal Joint Services Board has requested Town of Lunenburg (as owners of the pole) to have a camera installed to monitor garbage issue. The project lies with TOL and NS Power at this point.

#### **Ladder for front of wharf**

- **Engineering is still looking into this**

#### **Rings on boat slipway**

- **The committee has decided not to pursue this project at this time**

## **Channel Markers**

- Committee is still interested in exploring. **Tissy will contact provincial and federal government for next steps.**

## **Other Business**

- There is a canoe on the floating dock that needs to be removed. **Tissy to issue notice.**
- There is a boat in the parking lot that needs to be removed. **Tissy to issue a notice.**
- 2 cleats need to be replaced on the floating dock. **Tissy will work with engineering to replace.**
- The ladder on the floating dock is broken (missing rungs, weld is letting go). **Tissy will work with engineering to replace.**
- The committee would like to explore the options for power at the wharf. **Tissy will price out with other facilities.**
- Mowing of the side hill by parking lot is growing up and should be mowed. **Tissy will talk with Park Supervisor to coordinate.**

## **Next Meeting Date**

- **August 21, 2019 at 6:30pm at the Park (weather permitting)**

## **Adjournment**

- Motion by Richard; seconded by Tina. Motion carried.
