The Honourable Kim Masland  
Minister of Public Works  
P O Box 186  
Halifax NS B3J 2N2

Dear Minister Masland:

RE: Bicycle Safety

The Police Advisory Board, in session on April 28, 2021, discussed the topic of bicycle safety. There is a greater number of riders on our roads, which at times leads to congested roadways and, therefore, increases the concern for the safety of the riders and the general public alike.

Would the Department have available any signage or education material that could be provided to communities or groups on bicycle safety? Any assistance would be greatly appreciated.

Keeping Nova Scotia roads as safe as possible is the responsibility of us all.

Regards,

Carolyn Bolivar-Getson, E.C.N.S.  
Mayor
