

TAX SALE REPORTING LETTER

Tax Sale No. 91

To: The Municipality of the District of Lunenburg

Re: Tax Sale Property Accounts

Date: August 26, 2021

Name: East Coast Land Developments Limited

Assessment Account No: 09683528

Property: PID 60639382; Crouse Settlement Road, Italy Cross

Title: I have carried out title investigations on the subject property. The title is land registered. There is evidence that East Coast Land Developments Limited is the registered interest holder (owner) of the subject property. East Coast Land Developments Limited acquired title via deed recorded in Book 841, Page 626 at the Lunenburg County Land Registration Office. The property does not graphically appear to abut the public highway, but the "road parcel" was conveyed to the Municipality of the District of Lunenburg as a Municipal Public Highway. There is also a utility easement in favour of Nova Scotia Power Inc. recorded in Book 959, Page 68 at the Lunenburg County Land Registration Office. We have not searched the title, extent or usage of any easements or rights-of-way. The paper title appears to be marketable.

Encumbrances: None

Marital Status: The owner is a corporation. The Nova Scotia Registry of Joint Stock Companies status report is attached. The corporation appears to be in good standing.

Survey: There is a survey available for the subject lot registered as document number 82675811 at the Lunenburg County Land Registration Office (subject lot is Lot PR-1-A4). The short form description and plan generally conform to modern standards.

Property Mapping: A copy of the property mapping is attached for your file which will include the address of the assessed owner if available.
