

TAX SALE REPORTING LETTER

Tax Sale No. 68

To: The Municipality of the District of Lunenburg

Re: Tax Sale Property Accounts

Date: September 14, 2023

Name: The Meisner Trust

Assessment Account No: 06078516

Property: PID 60201092/60411634 – Highway 10, West Northfield

Title: I have carried out title investigations on the subject property. The title is not land registered. There is evidence that the Meisner Trust is the owner of the subject property. The Meisner Trust acquired title via Deed registered as Document No. 83480542 at the Lunenburg County Land Registration Office. The subject assessment accounts consists of two parcels of land, each identified by their own PID number. PID 60411634 does not abut the public highway, but may have access via the abandoned CN railway line. The description for Lot E.L.-7 (PID 60411634) references the benefit of an Easement/Right-of-Way to the public highway (as per the survey per below), but there are several “releases of right-way” filed at Book 758, Page 413, Book 758, Page 419 and Book 758, Page 424, which appears to effect said right-of-way. We have not searched the title, extent, or usage of said Easement/Right-of-Way. PID 60201092 appears to be a piece of the former C.N.R. reserve, and abuts the former rail line (now trail), so some access may be available, but vehicular access is problematic. PID 60201092 (Lot H.M.Q. 3) does not have benefit of an Easement/Right-Way to a public highway. Otherwise, paper title appears marketable.

Encumbrances: None

Marital Status: N/A – property is held by a Trust

Survey: Yes – PID 60411634 – Plan 6163 (as E.L.-7). Plan and description generally conform to modern standards. Yes – PID 60201092 – Plan 9021 (as Lot H.M.Q.-3). Plan and description generally conform to modern standards.

Property Mapping: A copy of the property mapping is attached for your file which will include the address of the assessed owner if available.
