Q. WHAT IS THE DEADLINE TO PASS IN THIS APPLICATION?

The deadline each year is August 1, for the rebate to be applied to your 2025 Final Tax Bill. Late applications will be subject to annual budget constraints as decided by Municipal Council.

You will see the rebate on your final tax bill of the year that is due the end of October. It is a reduction on your tax bill, it is not a refund.

Q. DO I HAVE TO PAY MY INTERIM TAX BILL?

We recommend you pay your interim tax bill to avoid any interest charges being applied to your account. However, if the interim bill is not paid, the rebate will be applied to any interest that accumulates on the interim billing only; the remainder will be applied to the principal tax balance for the current year.

Q. HOW MUCH WILL MY REBATE BE?

The Municipality must first determine how many people applied and how many qualify. There is an annual amount budgeted for this rebate. If the rebates for all applicants combined do not go over the amount we have budgeted, the amount you get will be based on your income as follows:

- If your income was under \$30,750 and your taxes are higher than \$680, you will get a \$680 reduction on your final tax bill.
- If your income was between \$30,751 and \$45,000 and your taxes are higher than \$475, you will get a \$475 reduction on your final tax bill.
- If your income was between \$45,001 and \$60,000 and your taxes are higher than \$270, you will get a \$270 reduction on your final tax bill.

Please note: In order for a full rebate to be issued, all assessed owners must live at the property. Otherwise, the rebate amount will be pro-rated.
